

OMBUDSPERSON
BRITISH COLUMBIA

Fairness in BC's public schools

The Ombudsperson is investigating situations where students are asked or told not to attend school. We will assess whether that is fair for all students, especially those with disabilities or diverse abilities.

Your experiences are important to us.

It is important for us to hear directly from students and their families. If you are a student or a caregiver, you can share your story on our website. All the information you share is confidential.

We want to hear from you!
